# UNITED STATES PATENT OFFICE.

PETER ADAMS, OF BUFFALO, NEW YORK, ASSIGNOR OF ONE-HALF TO  
WALTER J. SHEPARD, OF SAME PLACE.

## DESIGN FOR A TOY SAVINGS-BANK.

SPECIFICATION forming part of Design No. 27,565, dated August 24, 1897.

Application filed July 10, 1897. Serial No. 644,147. Term of patent 7 years.

*To all whom it may concern:*

Be it known that I, PETER ADAMS, a citizen  
of the United States, residing at Buffalo, in the  
county of Erie and State of New York, have  
5 invented and produced a new and original  
Design for a Toy Savings-Bank, of which the  
following is a specification, reference being  
had to the accompanying drawing, forming a  
part thereof.

10 The design relates to the general form or  
configuration of an ornamental toy savings-  
bank, as represented in the accompanying  
drawing, which shows a perspective view of  
a toy savings-bank containing my design.

15 The leading feature of said design consists  
of a grotesque figure representing a pig or

hog, with an open mouth, seated in a minia-  
ture high chair, and a tray arranged in front  
of said figure.

A represents the grotesque figure, and B 20  
the chair. C is the tray, arranged in front of  
said figure and connected therewith by the  
pivoted arms or legs *d*.

What I claim as my invention is—

The design for a toy savings-bank herein 25  
shown and described.

Witness my hand this 6th day of July, 1897.

PETER ADAMS.
